

MHS GENESIS, the DoD's new electronic health record, is coming March 2023. There will be a noticeable increase in pharmacy wait times.

**LET US HELP BETTER SERVE YOU.**

## **Request Refills in Advance**

Beginning February 25, 2023, you may request early refills of non-controlled medications when you have used 50% or more of your current supply.

## **Consider Alternatives**

You may be able to get prescriptions delivered directly to your door! For more information on TRICARE Pharmacy Home Delivery, visit <https://www.tricare.mil/homedelivery>.

**We appreciate your patience during this transition.**
